ENDLESS SURFACE

Industrial è la collezione di Eccentrico di ispirazione cementizia. La ricerca è stata incentrata sulla superficie, arricchita sia da un movimento grafico profondo ed elegante che simula le tracce lasciate dalla spatola, sia da un effetto di interruzione dell'uniformità ottenuta dall'aspetto consumato della grafica. Declinato in 3 colori neutri che esaltano un linguaggio minimalista e leggero. Industrial è proposto anche nella versione outdoor.

ENG. Industrial is the Eccentrico collection inspired on cement. The research was focused on the entire surface, on the irregularity of depth and spatula work. In the three neutral colors that bring out an elegant and minimalist language. Industrial is proposed in outdoor version .
